COMPLETE WASHROOM SOLUTION:

Hardworking areas often need a robust implementation of infrastructure, and that is exactly what we offer with our classic range of washrooms and bathrooms.

We do this by using high quality durable materials and Compact grade laminates. Importantly, we don't compromise on style. All our range is attractive and timeless because we understand how important it is to portray the right corporate image.

Mark is a box packed **Toilet Cubicle system** consisting of two packs- boards and hardware. The packs contain all necessary panels and fittings to construct almost any configuration of toilet cubicle commonly in use.

Adjustments can be made to the cubicles to suit the site requirements.

SPECIFICATIONS:

Panels/ doors: High pressure compact grade laminate 12mm th. 100% impervious to water

Colour: Grey, Off-white. Special colour can be made available for the projects.

Legs, accessories and ironmongery: 4 options to suit your style. Stainless Steel/ Zinc alloy satin anodized/ Aluminum satin anodized/ Reinforced vinyl plastic.

Head rails: Satin anodized aluminum matching to the accessories and ironmongery.

SALIENT FEATURES:

- ✎ **FAST TRACK:**
Immediate dispatch.
- ✎ **BOX PACKED:**
Easy to transport and install.
- ✎ **COMPLETE:**
All necessary panels and fitting included.
- ✎ **FLEXIBILITY:**
